Dear *Friends* of Seabreeze Football,

Please join us as we prepare for another exciting season of Sandcrab Football! By supporting the 2011 Sandcrab Football program, you will be helping these young men have a positive and rewarding experience while focusing on teamwork and learning life lessons, based on the foundation of football. These building blocks enable our players to become more successful in the classroom, on the field and in their future careers. They will leave our program as proud alumni of Seabreeze High School.

The Seabreeze Sandcrab Football team will begin spring training in May. After the school year comes to an end, the team will begin summer workouts in preparation for the 2011 football season. With the help of your generous donations we can, to name a few, purchase new uniforms and equipment, provide pre-game meals and transportation to away games for our players. We invite you to come out and support our 2011 Sandcrabs this fall!

Your tax-deductable contribution is greatly appreciated. Checks should be made payable to Seabreeze Football Boosters. If possible, please send in your donation by June 15, 2011 so we can prepare for the 2011 football season.

Thank you in advance for your generous support of the 2011 Sandcrabs and we look forward to seeing you at the games!

With sincere appreciation,

Jennifer Schimenti Jones
President, Seabreeze Football Boosters
Seabreeze Alumna

P.S. We can only continue to provide these benefits to our children through your generosity and that of the people in our community. That's why I urge you to complete the enclosed form and become a sponsor today. Again, we appreciate your help in making the 2011 season one to remember!
