TUESDAY 4/19	1017, 1018, 1019, 1020, 1021

- Morning announcement will be completed during the homeroom period. No announcements will be made until testing is complete.
- Each day 25% of the 10th grade will be testing in the media.
- All other students be in their regular classes
- The FCAT 10th grade Mathematics Test is 160 minutes in length and will be completed by lunch (with the exception of students who are allowed extended time.)
- Please be aware that direct instruction/due dates are difficult on test days. You may be missing students on each of these days.
